Murder - Mahaoya Police Division.

Investigations have been initiated on the morning of 24.01.2026 at the Mahaoya Police Station based on a message received by the Mahaoya Police Station that a woman had been murdered in the Beragala Reserve in the Mahaoya Police Division.

The investigation has revealed that the deceased had gone to the reserve on the evening of 23.01.2026 to tie up cattle and when she did not return home, the area was searched by the residents and local residents. Accordingly, a body with cuts on the neck was found near a road in the reserve.

The deceased was a 46-year-old resident of Warapitiya.

The reason for the murder and who committed the murder have not yet been revealed. The body has been deposited at the Ampara Hospital morgue for a post-mortem examination after the Magistrate's inquest. Further investigations are being conducted by the Mahaoya Police.
