### **Search Operation Launched Following Bomb Threat at Kandy District Secretariat**

A special search operation has been launched following information received at the Kandy District Secretariat regarding a suspected bomb threat.

According to the Police, officers from the Kandy Police Station commenced an investigation after an email was received today (26) to the official email address of the Kandy District Secretary, claiming that explosive devices had been concealed at five locations within the Kandy District Secretariat premises.

In response to the threat, an extensive search operation is currently underway. The Police Dog Unit, the Police Special Task Force Bomb Disposal Unit, and the Army Bomb Disposal Unit have been deployed to assist in the operation.

Police stated that no explosive materials have been discovered during the searches conducted so far. However, security checks are continuing, and the operation remains ongoing.
